

IDS

DualPhase 19

*Two-Speed (175/300 RPM)
Heavy-Duty Floor Machine*

Safety enhanced interlock switch / both hands are conveniently in control

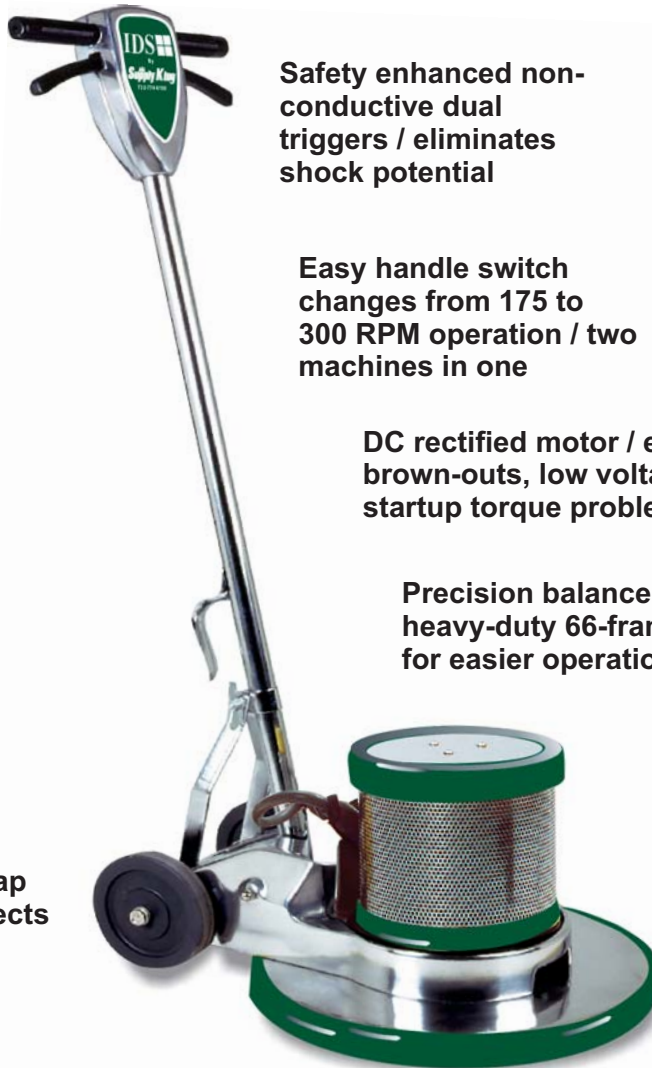

Fully adjustable handle position / comfortable for all operators

Motor plugs in at handle base / for easy maintenance

All metal chassis / added weight for faster results

Non-marking fixed 6" wheels / for easy transport

Non-marking full wrap bumpers / fully protects floors, walls and baseboards

Safety enhanced non-conductive dual triggers / eliminates shock potential

Easy handle switch changes from 175 to 300 RPM operation / two machines in one

DC rectified motor / eliminates brown-outs, low voltage and startup torque problems

Precision balanced heavy-duty 66-frame motor / for easier operation

Two machines in one, for spray buffing, bonnet cleaning, scrubbing and shampooing

Triple-planetary high torque transmission / handles the most demanding applications
