## PowerPhase 175

175 RPM Heavy-Duty Floor Machine

Safety enhanced interlock switch / both hands are conveniently in control

Safety enhanced non-conductive dual triggers / eliminates shock potential

All metal chassis / added weight for faster results

Fully adjustable handle position / comfortable for all operators

Triple-planetary high torque transmission / handles the most demanding applications

Precision balanced heavy-duty 66-frame motor / for easier operation

Traditional all metal-reinforced bell housing apron / accommodates brushes easily

Hospital quiet,  
for spray buffing,  
scrubbing,  
stripping,  
shampooing,  
bonnet cleaning

Motor plugs in at handle base / for easy maintenance

Non-marking retractable 6" wheels / for easy transport with thick profile brushes

Non-marking super thick bumpers / protects walls and baseboards
